GAME N°1: Find this “arrow” symbol hidden in one of the geometric shapes.

GAME N°2: Help the dog find his cat friend by following the number path in logical order: 1 – 2 – 3 – 4 etc.

GAME N°3: Find the matching symbol.

GAME N°4: Connect each animal to its favourite food.

GAME N°5: Discover the hidden food by connecting the dots.

GAME N°6: Connect each ice cream treat to its shadow.
GAME N°7: Reproduce this drawing without lifting your pencil using the boxes for help.

GAME N°8: Spot the 10 differences between image 1 and image 2.

GAME N°9: Find the missing box to complete the maze, then find your way out.

GAME N°10: Find the hidden food by connecting the letters to the matching boxes.

GAME N°11: Fill in the boxes with the elements and always make sure that the same object appears only once per column, per line and per square.

GAME N°12: Follow the smiley path to get to the finish line! A tip: look at the eyes for help.
